COMPANY OVERVIEW

ABBA Global Corp (AGC) is a bilingual, Hispanic-owned power-only carrier headquartered in Kermit, TX. We were founded on a simple idea: the freight that keeps a well producing should be as dependable as the well itself. Nine ABBA tractors plus partner capacity move 100+ loads of frac sand weekly across the Delaware and Midland sub-basins — with an owner behind the wheel and a partner who runs the business.

WHY ABBA GLOBAL CORP

Frac Sand Specialists

We know every gate, lease road, and well-site in the Permian — no learning curve.

Owners on the Ground

One founder drives. One runs the business. You always reach a decision-maker.

Bilingual Operations

English & Spanish fluency from the office to the cab — zero miscommunication.

Hispanic-Owned

Locally owned and operated in Kermit — bilingual leadership with deep roots in the Permian Basin.

Scalable Fleet

9 ABBA tractors plus vetted partner capacity; 100+ loads of frac sand per week.

Zero Critical Violations

Clean FMCSA record across all BASIC categories. Safety is our baseline.
